Belgian A.C.E. Project

A big thanks to the salons that have given their Apprentices time off to take part in the Action, Communcation & Exchange Belgian project on 18th – 21st May! We will be in touch with you this week to confirm. Apprentices will take part in a prestigious competition, and visit Flanders Fields, Ipres and Gent to discover the importance of peace and rememerance on this, the 100 year anniversary of World War 1.

In-Salon Assessments

A lot of apprentices have told us through Learner Voice Forums last week that they would like more In-salon Assessments, and we have advised them to speak with their salons. Tracey and Karen can come out to assess your apprentice at the salon which speeds their progress and enables you to keep your Junior assistants in salon when they have completed theory and on-line tests. If you have the right models, just call us to arrange and we will do the rest!
